Held March 5, 2013

CALL TO ORDER

A Workshop of the Monroe Charter Township Board was called to order by Supervisor Alan Barron at 5:30 p.m. on Wednesday, March 5, 2013 in the Monroe Charter Township Hall, 4925 East Dunbar Road, Monroe County, Michigan.

Present: Supervisor Barron, Clerk Schnurr, Treasurer Barton, Trustees Heck, Janssens, and Wilson.

Excused: Trustee Pancone.

Others

Present: Drain Commissioner David Thompson, Deputy Drain Commissioner Tim Csurgo, and Ronald Hansen and Rodney Velez of the Spicer Group.

Supervisor Barron reminded everyone that this is only an informal Workshop, not a Board Meeting, therefore no official board action can be taken at this workshop, nor will it be taken. The purpose is to hear from the County Drain Commissioner and discuss the Wry Drainage District's improvement options, as listed on the public notice.

Supervisor Barron turned the workshop over to Drain Commissioner David Thompson and his team for the purpose of informing the township with an update of the Wry Drainage District and the associated costs. The Drain Commissioner and the Spicer Group Engineering firm went over, in detail, the scope and importance of this project and the cost estimates.

There was much discussion on the project and the need for the township to contribute to the overall cost in order to save the residents from some of the burden associated with the special drain assessment.

Supervisor Barron solicited additional Public comments. There were none.
